in stainless steel suitable
to hold both trays
and Gastronorm containers

DOORS

with lock and 270° opening
angle with magnetic stopper

LINEAR DESIGN

for easy cleaning; suitable
for washing tunnels

PRACTICAL

COMPACT DESIGN

for easy handling

PUSH HANDLE

Impact resistant and ergonomic

OVERSIZED WHEELS

ø 125 mm, 2 of which are pivoting,
for easy handling

WAKEUP

OPTIONAL VARIATIONS

OPEN

The OPEN base model has a large support surface to complete the preparation of the breakfast trays.

COVER

The COVERED model is used to protect the beverage thermal containers placed on the worktop. Hygienic box with an easy lock and opening mechanism thanks to a lifting spring.

WAKEUP OPTIONAL

THERMAL CONTAINERS AND DRIP TRAY SET-UP

Kit consisting of pins for blocking thermal containers during transport and a special stainless steel drip tray to guarantee hygiene and cleanliness.

WHEEL OPTIONS

WAKEUP has a complete range of wheels: galvanized or stainless steel, 125 mm in diameter. The standard provides 4 galvanized steel wheels. A centralised brake and rotation release for the fixed wheels to allow the trolley to move sideways is also available.

TOWING HOOK

The galvanized steel swinging rod allows the handling of up to 4 trolleys connected to each other, using the appropriate towing devices

DOCUMENT HOLDER

A convenient document holder can be fitted inside the trolley door.

DOOR SEALS

Loops for attaching sealing bands.

PERIMETER PROTECTIVE FILM

An adhesive strip placed on the corners of the trolley provides additional protection from bumps and scratches.

COLOURS

WAKEUP is available in Yellow and Blue.

WAKEUP ACCESSORIES

BAG HOLDER

A steel frame to fasten the bussing bag can be fitted as an alternative to a GN 1/3 container.

TRAY

Ergonomic tray in double laminate. Washable in the dishwasher.

SIZE	DIMENSIONS	COLORS
GN 1/2	265 x 325 mm	sand

THERMAL CONTAINERS

A wide range of stainless steel thermal containers for the transport of beverages.

SIDE-MOUNTED SUPPORT TABLES

Highly adaptable aluminium frame for GN 1/1, GN 1/2, GN 1/3 and GN 1/6 containers. Once removed from the trolley can be easily attached to the sides of WAKEUP to facilitate the preparation of trays.

Side-mounted support tables

Internal support tables
